Due to the COVID-19 pandemic, the following precautions will be in place: social distancing of 6 feet between households; masks are required; limit the number of extra family members at the clinics where possible.

Children with no insurance, under-insured, Medicaid, Native American or Native Alaskan qualify for the state-funded vaccine. Adults who are uninsured or under-insured may also qualify for state funded vaccine. Vaccines for Children is funded in whole with federal and DHHS funds. Call the office for qualifications at 308-345-4223. Both state-funded and private vaccines are available at these clinics.
